

THE 2017 SONSKYNFEES

PLENTY OF SUNSHINE FOR ALTA DU TOIT

The 2017 Sonskynfees, of which Burma is chief sponsor was a great fundraising success for its beneficiary, the Alta Du Toit Aftercare Centre that caters for adults with special needs. We are truly honoured to bring a few rays of sunshine in to the lives of the centre's clients. This is African Sunshine that truly warms the heart! Thanks to all who participated and contributed to this wonderful event that took place in March.
